ACCREDITATION PROGRAM

The Quality Assurance Program (QAP) is the recognized accreditation program for the mobility equipment industry. The only program of its kind, QAP was developed to promote quality, safety and reliability within the mobility equipment industry. A QAP designation enhances vehicle modification and mobility equipment installation in a manner consistent with the highest guidelines available.

MEMBER MAGAZINE

A quarterly publication, the *Circuit Breaker* includes in each issue: product information, industry updates, regional reports, NHTSA updates and Federal Motor Vehicle Safety Standards (FMVSS) news.
